SUPPLEMENTAL AMENDMENT

15 HONORABLE COMMISSIONER FOR PATENTS  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

This is in response to the **Notice of Non-Compliant Amendment**  
in the matter of the Amendment filed on July 28, 2005 in relation  
to the above-identified application. This Amendment was non-  
compliant with 37 CFR 1.121 because: 1) the three sheets of  
formal drawings filed therewith lacked "Replacement Sheet" in the  
top margin of each drawing sheet; 2) in the claims, each section  
should begin on a new sheet; and 3) in the claims, there was no  
need for a clean version of the claims. Kindly amend the  
application as follows:

IN THE DRAWINGS:

Replace the three sheets of **formal** drawings filed on July  
28, 2005 with the attached three sheets of **formal** drawings which  
are identified by having "Replacement Sheet" in the top margin of  
each sheet, both sets of drawings containing Figures 1-3.
